EDUCATION

• Institute Of Engineering & Technology, Alwar
Bachelor IN COMPUTER SCIENCE ENGINEERING 2023 Batch | Alwar, Rajasthan.
GPA: 8.15/10.00

• SUNRISE UNIVERSITY
Diploma in Computer Science Engineering
2017-2020 | |, Alwar, Rajasthan
65.4 % / 100.0

• HARIHAR SINGH ACADEMY
SECONDARY
Grad. 2017 | Varanasi, Uttar Pradesh
10Th Board: 07.00 / 10.0

COURSEWORK

UNDERGRADUATE
• Data Structures and Algorithms
• Database Management Systems
• Nodejs
• JavaScript
• TypeScript
• AWS (Cognito)
• Python
• Django
• Html
• CSS
• Bootstrap

SKILLS

PROGRAMMING
Skilled with:
• C• C++ • Java• Nodejs • Expressjs •
• React JS • TypeScript • RESTful APIs
• HTML • CSS • Bootstrap • JavaScript
• OOPs • JQuery

Database
• MySQL
• MongoDB

Soft Skills –
• Fluent in English
• Strong Monitoring Skills
• Excellent Oral & Written Communication Skills
• Teamwork, Time & Asset Management
• Leadership
• Reliable
• Adaptability

Certificates
• Advance Software Engineering Program 2023 By *JP MORGAN*
• Machine Learning By *INTERNSHALA*
• Skills Development By *INDIAN GOVERNMENT*

EXPERIENCE

QTN Global Services | **Web Development Intern**

August 2022 – February-2023

• As a Web Developer, my role was to create and maintain websites, web applications and software solutions that met the needs of clients and end-users.
• During my internship, I was involved in a variety of tasks, Projects and responsibilities that allowed me to gain valuable skills and experience in the field.

EXPERIENCE

APPNWEB TECHNOLOGIES Uk | **Jr. Nodejs Developer**
July 2023 – Current

• Learning and applying coding skills, participating in development tasks, assisting in testing, and collaborating with the team. Actively contribute to problem-solving discussions, follow coding best practices, and document project progress. Embrace new challenges with adaptability and strive for continuous learning and professional Growth. Working On Live Projects

PROJECTS

Learning Management System

(July 2023 – Current)

Features:

• **User Registration and Data Management:** New users can easily register themselves, providing essential details. User data is securely stored in our SQL database for future access and reference.

• **Email Confirmation with Amazon Cognito:** We've integrated Amazon Cognito to ensure a seamless and secure registration process. Upon registration, users receive a confirmation email to verify their accounts, enhancing security and trust.

• **Personalized Dashboard:** Upon successful login, users are greeted with a personalized dashboard that serves as their learning hub. Here, they can track progress, access learning materials, and manage their account settings.

• **Skill Assessment and Certification:** Our platform offers a range of skill assessment exams related to Node.js and other relevant technologies. Users can take these exams to evaluate their knowledge and receive certificates upon successful completion.

• **Subscription Plans:** To cater to diverse learning needs, we offer subscription plans with varying levels of access. Users can choose a plan that suits their requirements, granting them access to premium content, exams, and certification opportunities.

• **Progress Tracking:** Users can easily monitor their progress, view exam scores, and track their learning journey over time. This feature helps them stay motivated and focused on their goals.
